## Exciting Times!

Being one of the first academies in York has been a challenge, but we are starting to see the rewards.

One of the most exciting projects this year is the building extension above the old part of the school.

At the end of summer term and during the summer holidays much work was undertaken to prepare for the construction team to come onto site.

Robert Wilkinson needs to continue to be a working school so we appreciate the understanding and support parents have shown in helping us during this period.

This short term upheaval will result in a long term benefit, especially for the current Early Years and Year 1 groups who, from September 2015 will enjoy being inside the body of the school.

The full details of the building project will be published soon together with a clearer time line for completion.

Keep smiling! It will be fantastic!

Mr Ludlow

### Coffee Morning

Please come and join us for a cuppa and a chat on Wednesday 17<sup>th</sup> September at 9am in the Brown Hall.

### KS2 Lining up procedure!

All the children have settled in really well, could Year 3/4 parents now start to let their children line up independently to help with the transition.

## School Uniform!

From September we will expect all pupils including Year 6 to be in appropriate school uniform. This can still include uniform with the old logo but as your children grow out we will expect you to replace with the new Academy uniform.

### Payment of Dinners, Breakfast and After School clubs

Please pay in advance for dinners by either paying direct to Parentmail2 or putting cash/cheque into the school office. Childcare should be paid for in advance or promptly. Charges are applied a week in arrears, Breakfast Club usually on a Monday and After School Club on a Wednesday.

If your account falls into arrears you will be sent an automatic reminder from Parentmail2. If you fail to put funds into your account we will unfortunately have to suspend facilities until the arrears are paid off. Thank you.
