

### Swimming:

1BP in the morning  
1GW and 1JM in the  
afternoon

# Year 1 Weekly Newsletter

## Week beginning 1.6.15

PE is on Wednesdays and  
Fridays - please  
remember your kit!

### Phonics Screening

A reminder to keep practising those phonics sounds at home in short bursts. Especially those split digraphs! Year 1 phonics screening will be taking place during the week beginning Monday 15<sup>th</sup> June.

### Literacy

In Literacy this week, we have combined our topic and have been looking at the similarities and differences between holidays in the past and present. The children have looked at Victorian photographs and watched some old footage film clips of seascides in the past. That's the way to do it!

### Year 1 'Performance'

As you know our end of Year 1 performance is getting closer and the children are getting excited! The children will only need their PE kits (black shorts, white T-shirt and plimsolls - no laces please!) for the performance so no costumes needed. If you would like to practise the songs, here are some links to look at and sing along to at home!

The Underwater song

### Sunhat and Water!

Sun at last! Please ensure your child is ready for the sun during the school day, with a water bottle & sunhat. If your child has a pack-up for lunch please could they bring their water bottle separately into the classroom. Many thanks!

### Numeracy

In Numeracy this week we have been learning about all the numbers in the 100 square! Counting forwards and backwards, one more/one less and using it to add and subtract larger numbers. We have been looking at all the 4 number operations: addition, subtraction, multiplication and division. and recognising their symbols. We have been looking at simple word problems to work out which number operation to use to solve the problems.

### Topic

In Topic this week we have been travelling back in time to the seaside in the past, looking at the history of the British seaside. Through the powers of technology we have seen a Punch & Judy show as well as the sights and sounds of the seaside in the past!
