Don't forget to book  
June's meals  
by 24<sup>th</sup> May!

The new building is really beginning to take shape and both the pupils and staff are starting to get excited. Sadly, I can't bring you a confirmation date yet for the completion of the early years wing as a few problems have slowed the progress. The photos show one of the new upstairs classrooms with lots of natural light and another of the new creative arts centre which looks a fantastic size and includes two cosy practice rooms for music tuition. It promises to really enhance our provision! Mr Evans

Many of you have been in touch in regard to supporting and helping the disaster relief operation in Nepal. This is a tragedy with a very personal element due to a number of Nepali students and families here in Strensall and York. Next **THURSDAY 7<sup>th</sup> MAY** our school have offered to be a centre for collecting items to help in the relief operation, If you wish to contribute, bring any items on **THURSDAY MORNING** only, as we have arranged for delivery to Fulford by mid morning. The Ghurkha regiment at the barracks will be organising the dispatch to affected areas of Nepal. The list of items will come as a separate ParentPay message. If you are interested in any other community events contact Lynette at Hurst Hall 442989. Many thanks Mr Evans and Mrs Hayes-Smith

### Volunteer Plea!

We are desperate for swimming volunteers across EY's and KS1 for various roles and times.

If you already volunteer for swimming and are available to help out in any area with any year group could you email the school on [robertwilkinson.primary@york.gov.uk](mailto:robertwilkinson.primary@york.gov.uk) or see your class teacher.

If you are a regular volunteer and you haven't either returned your signed volunteer policy or completed your online safeguarding certificate could you please do so as soon as you can.

### School telephone problems

At the moment we have a problem with our phone lines due to the rather large trees in the front playground!

The issue will be resolved in the forthcoming months but in the meantime email [robertwilkinson.primary@york.gov.uk](mailto:robertwilkinson.primary@york.gov.uk) if your query is not urgent.

We apologise if you have tried to get through and failed but please keep trying!
