Pensioners Tea Party

Each year the children who are members of The School Council invite the elderly residents of Strensall to a Christmas themed tea party. This year's party is in the White Hall at 1.15 – 2.45pm on Tuesday 15th December.

ACADEMY!**

Here are some of the lovely ladies who make the magic of the Christmas Fayre happen. They have been in school all today sorting your donations for the various raffles and making sure that the night will run smoothly. We would like to thank all of you for your donations and also a big thank you to Tesco for supplying tonight's tea and coffees.

It has been very fruitful talking to our pupils about the word 'resilience' and how useful a characteristic it really is. We have explored lots of circumstances over the last two weeks and heard about some amazing examples of resilience too, for example the story of Derek Redmond at the 1992 Olympics – the video can be found on You Tube under the heading 'Powerful inspirational true story... never give up! For the forthcoming weeks to Christmas we are exploring the skill of 'Collaboration' and how important it is.

Together we achieve more is a key message.

Resilience

Keep trying even when it's hard

I hope you found these foci useful as the year progresses.
